

Bring your questions. We'll bring lunch.

Featuring:

Jennifer Hennessee, MD

Board Certified Ear, Nose and Throat Physician

Learn How to Outsmart Your Allergies and Hear About Balloon Sinuplasty,

an amazing, virtually pain-free alternative to traditional sinus surgery.

GRMC invites you to its first Doc Talks, a free health seminar open to the public and employees. Dr. Jennifer Hennessee will be talking about a seasonal hazard many in our community battle every year: allergies and sinusitis. Join us and get your dose of facts.

Wednesday, May 26th — Noon

Classroom on 2nd floor of GRMC's Central Entrance.
Park in the rear lot behind the two-story Central Entrance.

Brought to you by:
